The ministries of Outreach Across America are aligned with our vision statement.

Love God,  
Live His Mission,  
Love People,  
and Train Them to Follow.

We offer which helps people to cope with their hurts, habits, and hangups in a way that honors God.

We offer [Jr. Warriors](#) to help our preteens grow in their relationship with God.

We offer [Full Throttle Warriors](#) as a biker ministry. God has provided us with a motorcycle for this ministry. We organize rides, bike blessings, and raise money for specific charitable organizations. This is an other way to share God's love.

Other ministries used to show the love of God to our community include totally free car washes and free laundry days at a local laundromat.
